

# Maca Magic

## Our Maca is always:

- Full Spectrum
- Certified Kosher, Gluten Free
- All powders USDA Certified Organic
- Raised without chemicals at 14,000 feet elevation in the mineral rich highlands of Peru's Altiplano.
- Planted, grow and harvested following traditional practices.
- Sun dried which has been shown to increase the amount of Macamides found in each root.
- Third party tested to ensure purity, quality and identity.
- Maca Magic was the first company to import Peruvian grown Maca in 1995.

## Maca Magic is available in the following forms:

- Peruvian Grown, Organic Raw and Organic Gelatinized Powder
- Potent Maca Capsules & Tablets
- Fast Acting Maca Extracts & Compounds
- Delicious Maca Smoothies

# Amazon Therapeutics

## Top Sellers

- Chanca Piedra
- Sangre de Grado
- Graviola
- Camu Camu

- With the exceptions of a few herbs, there is little competition for the other herbs found in the Amazon Therapeutics brand.
- There is also little awareness about some of these herbal remedies.
